REMARKS

Reconsideration of this application is respectfully requested.

Applicants have canceled claims 53-86 without prejudice or disclaimer. New claims 94-119 are derived from canceled claims 53-86 and are fully supported by the specification, for example, on pages 26-27 and in Figure 6. No new matter enters by amendment.

Applicants thank Examiner Kaushal for the courtesy of the Interview on January 30, 2003, in which the Examiner indicated that the proposed amendment should obviate the outstanding rejections under 35 U.S.C. § 112, first paragraph.

Applicants respectfully submit that this application is in condition for allowance. In the event that the Examiner disagrees, he is invited to call the undersigned to discuss any outstanding issues remaining in this application in order to expedite prosecution.
